

UTS Careers Industry Guide

At UTS, collaborating with industry is a key part of what we do. We know that organisations become more dynamic by engaging with university students. Our students are able to put theory into practice and are developing the skills employers tell us are vital, such as communication, critical thinking, teamwork and digital literacy.

Our offerings provide a great way for you to promote your organisation, recruit our students and share your expertise to support and develop UTS students.

UTS Careers is here to support your organisation's recruitment needs and connect you with our talented students.

Talk to us to find out how.

The UTS difference

Every industry is changing, rapidly. We know this. So, however you're looking to engage with us, UTS has students who are ready for the challenge.

For detailed information about UTS courses, please visit the UTS Handbook: www.handbook.uts.edu.au

Recruit our students

Check out all the ways we can connect you with our talented students to support your recruitment needs:

UTS CareerHub is the place to gain exposure to over 44,000 current UTS students. Sign up to:

- Advertise internships, graduate programs and other employment opportunities for FREE
- Promote your events and initiatives to students

Employer Meet and Greet Sessions: These sessions are a great way for you to promote your organisation and recruitment opportunities to UTS students, putting you in direct contact with potential candidates. We take care of the logistics, registration and promotion of these sessions

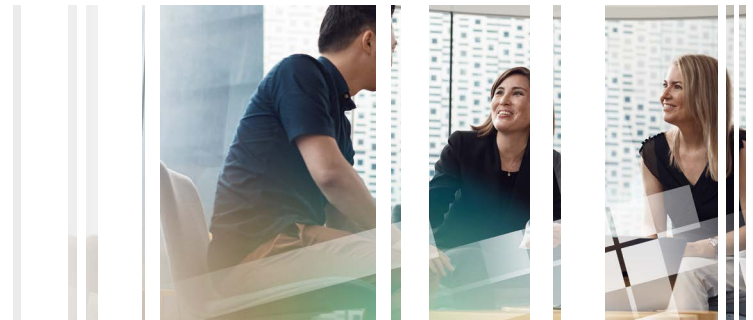

Targeted email to students: Sending a targeted email is an effective way to directly engage and connect with a discipline specific cohort of UTS students. This service allows you to narrow down our student population, by area and level of study, so your information is distributed to the most relevant and interested students.

Recruiting with a UTS Lens: Join UTS Careers at this event, along with a range of staff and student representatives from across the University, to enhance your recruitment strategies, address key challenges and to learn why, how and when to engage with our students.

Visit our website for more information, pricing and to register your interest: uts.ac/recruituts

Engage with and support our students

Meet UTS students both virtually and face to face at our vibrant city campus through the following opportunities:

'Your Career In' Industry Panels: Join a panel of professionals to share your career journey with students while also representing your organisation

Lunch and Learn workshops: Give back to the UTS community by teaching students a new career skill online or in person, while also promoting your organisation on campus

UTS Careers Fair: Connect with our talented students in person and promote your graduate program. This event attracts students from a variety of disciplines who can't wait to meet you and recent graduate representatives from your organisation. These students are keen to hear all about your organisational culture, potential career opportunities and the ways they can contribute to your organisation.

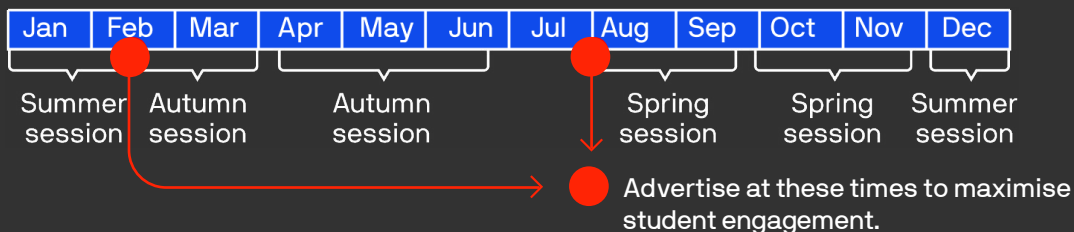

Mentoring opportunities: Join the Professional Mentoring Platform, where you can connect with a community of students in a forum, or be available for a one-to-one mentoring opportunity

Key dates at UTS

To help plan your recruitment activities, timing is everything. Learn when UTS students are in session, on a break or in exam periods.

For information on specific dates, visit the UTS Academic Calendar: www.handbook.uts.edu.au/dates_academic.html
